

TAN / POSING TRUNKS / COSTUMES

We all know that part of preparing for a competition, it is vital for you to know that your TAN is perfect and that the ATTIRE fits well and is within the expected criteria and requirements of the IFBB. We receive regular enquiries on where to get TAN, or POSING TRUNKS FOR MEN or of course COSTUMES FOR LADIES – and in view of this, we have put together a supplier list for each within the Provinces. (On giving out these contacts to the general bodybuilding and fitness community, the IFBB SA cannot be held responsible for orders, quality, availability, and/or payment of these products).
